

SEE YOU AGAIN ~ Charlie Puth / Wiz Khalifa

<p>It's been a long day - without you my friend And I'll tell you all about it when I see you again</p> <p>We've come a long way - from where we began Oh I'll tell you all about it when I see you again When I see you again</p>	<p>MELODY 1</p> <p>Boys</p> <p>Girls</p>
<p>Damn, who knew - all the planes we flew Good things we've been through That I'll be standing right here Talking to you - about another path I Know we loved to hit the road and laugh But something told me that it wouldn't last Had to switch up - look at things different - see the bigger picture Those were the days - hard work forever pays, Now I see you in a better place</p>	<p>Rap 1 – BOYS</p>
<p>How could we not talk about family when family's all that we got? Everything I went through you were standing there by my side And now you gonna be with me for the last ride</p>	<p>Segue: ALL</p>
